

PROFILE

Marenic Food Service Consulting, Inc. offers a complete line of services, equipment and supplies for the Food Service Industry. Allowing a partial or complete "turn-key" facility with follow-up support, as required.

Our staff is multi-lingual and cultural, so you can feel comfortable in knowing your needs will be met with total accuracy and traditional care.

Marenic Food Service Consulting, Inc. computerized design system takes you from conceptual ideas to construction documents in the shortest time possible. This results in accuracy and reduced project costs, without sacrificing quality. Through years of networking, Marenic Food Service Consulting, Inc. has established an exclusive "preferred dealer network" which allows our clients the choice to select a dealer which we have come to trust.

Whether you are a new or existing Food Facility, Franchise, Architect, Engineer, Dealer or Contractor, Marenic Food Service Consulting, Inc. has the most powerful solutions at the lowest possible price.
